- Please allow the system to handle any operation for 8 seconds after any operation due to latency of Lambda function. Please do not click any button twice before the system finish the first button's operation.

- For now, all text elements of all pages are listed after clicking 'Edit' button of a card. Page 0 means front page, page 3 means back page. (Will be modified next iteration)

- Click 'ShowCard' button to see the view of the front page for a recipient. Then click 'Display' to see the front page. After that, the URL now in the browser can be copied and paste to a new browser for the recipient to view this card.
